

#### 1 .A great summer vacation

I just returned from the greatest summer vacation! It was so fantastic, I never wanted it to end. I spent eight days in Paris, France. My best friends, Henry and Steve, went with me. We had a beautiful hotel room in the Latin Quarter, and it wasn't even expensive. We had a balcony with a wonderful view.

2 .We visited many famous tourist places. My favorite was the Louvre, a well-known museum. I was always interested in art, so that was a special treat for me. The museum is so huge, you could spend weeks there. Henry got tired walking around the museum and said "Enough! I need to take a break and rest."

3. We took lots of breaks and sat in cafes along the river Seine. The French food we ate was delicious. The wines were tasty, too. Steve's favorite part of the vacation was the hotel breakfast. He said he would be happy if he could eat croissants like those forever. We had so much fun that we're already talking about our next vacation!

#### 4 At school

Lucas goes to school every day of the week. He has many subjects to go to each school day: English, art, science, mathematics, gym, and history. His mother packs a big backpack full of books and lunch for Lucas.

#### 5 At school

His first class is English, and he likes that teacher very much. His English teacher says that he is a good pupil, which Lucas knows means that she thinks he is a good student.

His next class is art. He draws on paper with crayons and pencils and sometimes uses a ruler. Lucas likes art. It is his favorite class.

#### 6 At school

His third class is science. This class is very hard for Lucas to figure out, but he gets to work with his classmates a lot, which he likes to do. His friend, Kyle, works with Lucas in science class, and they have fun.

#### 7 At school

Then Lucas gets his break for lunch. He sits with Kyle while he eats. The principal, or the headmaster as some call him, likes to walk around and talk to students during lunch to check that they are all behaving. The next class is mathematics, which most of the students just call math. Kyle has trouble getting a good grade in mathematics, but the teacher is very nice and helpful.

#### 8 At school

His fourth class is gym. It is just exercising.

History is his last class of the day Lucas has a hard time staying awake. Many lessons are boring, and he is very tired after doing gym.

#### 9 Chicago

Keith recently came back from a trip to Chicago, Illinois. This midwestern metropolis is found along the shore of Lake Michigan. During his visit, Keith spent a lot of time exploring the city to visit important landmarks and monuments.

#### 10 Chicago

Keith loves baseball, and he made sure to take a visit to Wrigley Field. Not only did he take a tour of this spectacular stadium, but he also got to watch a Chicago Cubs game. In the stadium, Keith and the other fans cheered for the Cubs. Keith was happy that the Cubs won with a score of 5-4.

#### 11 Chicago

Chicago has many historic places to visit. Keith found the Chicago Water Tower impressive as it is one of the few remaining landmarks to have survived the Great Chicago Fire of 1871. Keith also took a walk through Jackson Park, a great outdoor space that hosted the World's Fair of 1892.

The park is great for a leisurely stroll, and it still features some of the original architecture and replicas of monuments that were featured in the World's Fair.

#### 12 Chicago

During the last part of his visit, Keith managed to climb the stairs inside of the Willis Tower, a 110-story skyscraper. Despite the challenge of climbing the many flights of stairs, Keith felt that reaching the top was worth the effort. From the rooftop, Keith received a gorgeous view of the city's skyline with Lake Michigan in the background.

#### 13 Christmas

A Christian holiday signifying the birth of Jesus, Christmas is widely celebrated and enjoyed across the United States and the world. The holiday always falls on 25 December (regardless of the day of the week), and is typically accompanied by decorations, presents, and special meals.

#### 14 Christmas

Specifically, the legend behind Christmas (and the one that most children are told) is that Santa Claus, a bearded, hefty, jolly, and red-jacket-wearing old man who lives in the North Pole, spends the year crafting presents with his elves, or small, festive, excited Santa-assistants.

#### 15 Christmas

All the children who behave throughout the year are admitted to the Good List, and will presumably receive their desired gifts on Christmas, while those who don't behave are placed on the Naughty List, and will presumably (although the matter is determined by parents) receive a lump of coal.

#### 16 Christmas

Santa Claus is said to fly around the Christmas sky in a sled powered by his magical reindeer, delivering presents to each child's house. Santa is also expected to slide through chimneys to deliver these presents (homes not equipped with chimneys might "leave the front door cracked open"), and children sometimes arrange cookies or other treats on a plate for him to enjoy.

#### 17 Los Angeles

Stephanie recently took a weekend trip to Los Angeles, California. Los Angeles is a coastal city situated along the Pacific Ocean. Many celebrities earned their claim to fame here. Although the town offers many attractions centered around Hollywood culture, there is a lot to see and visit in Los Angeles.

### 18 Los Angeles

Of course, all things related to Hollywood are popular tourist attractions. The Hollywood Sign, located in the Hollywood Hills of the Santa Monica Mountains, is a famous landmark for this star-studded town. Once in downtown Hollywood, it's possible to take a stroll along the Hollywood Walk of Fame. This landmark contains more than 2500 brass stars dedicated to celebrities who have made a significant impact on the entertainment industry. In Hollywood, visitors can even take tours of popular movie studios. Stephanie had a chance to visit Universal Studios, which produces her favorite films.

### 19 Los Angeles

Los Angeles is also a popular beach town, offering plenty of opportunities for sunbathing and surfing. A common beach destination is the Santa Monica Pier, which offers rides and attractions to its visitors. Here, Stephanie rode the iconic Ferris wheel, which offered her a spectacular view of the city and coast. These are just some of the things Stephanie experienced during her visit to Los Angeles.

### 20 London

London is a famous and historic city. It is the capital of England in the United Kingdom. The city is quite popular for international tourism because London is home to one of the oldest-standing monarchies in the western hemisphere. Rita and Joanne recently traveled to London. They were very excited for their trip because this was their first journey overseas from the United States.

### 21 London

Among the popular sights that Rita and Joanne visited are Big Ben, Buckingham Palace, and the London Eye. Big Ben is one of London's most famous monuments. It is a large clock tower located at the northern end of Westminster Palace. The clock tower is 96 meters tall. Unfortunately, Rita and Joanne were only able to view the tower from the outside.

### 22 London

The women learned that the tower's interior is undergoing renovations until 2021. Fortunately, the London Eye, the city's famous Ferris wheel, was open to the public. The London Eye is situated along the southern shores of the Thames River. This attraction stands 135 meters high. It is one of London's most well-known spots for gaining aerial views of the city. Each capsule of the Ferris wheel can hold up to 25 passengers. When their capsule stopped at the top of the Ferris wheel, the women took spectacular panoramic photographs of the beautiful cityscape below.

### 23 The pet store

George is at the pet store, looking at what kind of pet he might want to get for his birthday. George asked if he could have a horse, but his parents said no because horses are too big.

First, he sees dogs and cats. Baby dogs are called puppies. Baby cats are called kittens. George likes them because they are easy to take care of and can play a lot, but they will get bigger. George wants a small pet.

### 24 The pet store

Then George sees animals that have to live in a cage. He sees rabbits, guinea pigs, and mice. He likes these animals because they are small. Birds live in cages too. George sees a parrot and a canary. He likes them all, but he doesn't want to clean the cage.

George sees the animals in tanks. The tanks full of water have fish and turtles in them. He thinks about a goldfish but decides he likes the turtles more.

## 25 The pet store

There are also tanks with rocks and sand that have snakes, spiders, and scorpions, but George is afraid of them. George likes the turtles best, but they won't fit in the little fishbowls. Turtles need bigger tanks, so they can swim sometimes and hide sometimes.

George decides he wants to get a turtle for his birthday. He buys a book on how to take care of a turtle and a list of what types of turtles the store has.

Amanda looks around: outside, some older people are sitting at the tables having a coffee or a tea and reading the newspaper. Inside, groups of young people are talking, drinking beer and eating crisps. Among them are some of Davide's friends. "What luck!" thinks Amanda, relieved "Davide is sure to be here with them." But an unpleasant surprise awaits her.

She wants to surprise Davide because today is a special day. For Amanda, in fact, it is a very important day.

## 29 Surprise!

The train arrives in Bologna on time. Amanda goes straight home but, as she climbs the stairs, she spots some strange things: coloured balloons, red heartshaped cards, red roses. "How strange" she thinks, "Perhaps there's a birthday party... I don't understand." When Amanda reaches her apartment, she opens the door and... surprise! Davide is inside. He's sitting on the sofa reading a book.

## 30 Surprise

On the table, dinner is ready and there's a cake and a present for Amanda... and the keys to Davide's place that she forgot to take this morning! Amanda is really happy. She hugs and kisses Davide, and then tells him about her terrible day in Ferrara. Finally they eat and celebrate their anniversary... in the end it has been a truly special day.

### 33 Miami

Christina visited Miami during her winter vacation. She is from Boston, where it is cold during the winter months. Miami, however, has a very warm climate. There are many sunny days in Miami, and people can go to the beach all year long. Christina spent a good portion of her trip on the beach to relax and sunbathe. However, she also explored Miami and its surroundings.

### 34 Miami

Inspired by Miami's proximity to the ocean, Christina visited the Miami Seaquarium to learn about marine life. There, she watched a show using trained dolphins, killer whales, and other aquatic mammals. She took a lot of pictures of the sea creatures jumping out of the water and performing tricks.

### 35 Miami

Christina also took an excursion to the Everglades National Park. This park is a protected area spanning 1.5 million acres. Because the park is mostly swampland, it is home to many reptiles. Native animals include snakes, alligators, and crocodiles. The park is also great for birdwatching. Christina enjoyed hiking the trails in the Everglades and observing the wildlife in its natural environment.

### 36 Miami

When Christina returned to the city, she visited Little Havana. This is Miami's Cuban neighborhood. Christina could see that Little Havana's people demonstrated a lot of pride for their Cuban heritage. There were many outdoor shops and vendors, live musicians, and the Cuban cuisine was delicious. Little Havana was Christina's favorite part about her trip to Miami. This neighborhood made Christina feel like she had traveled to Cuba without ever having to leave the United State
